

"ZAP"

OUR SATELLITES HAVE
PICKED UP EVIDENCE THAT
SOMETHING FISHY IS
GOING ON WITH OUR
MOON.

IT HAS 50% MORE
CRATERS THAN IT DID
YESTERDAY!

WE NEED THE HELP
OF SURFER DUDE!

"NO WORRIES BROS, I
GOT THIS I'LL SHOOT
THE RADIATION CURL AND
HANG LOOSE ALL THE
WAY TO MARS."

"GNARLY! BUT
I WISH I'D
BROUGHT SOME SNACKS."

"PERFECT 10, EPIC RIDE!
BOY I COULD CRUSH SOME
MAHI TACOS AND A
POKE BOWL RIGHT
ABOUT NOW."

"I COULDN'T HELP
OVERTHEARING, WOULD
YOU LIKE SOME MOON
CHEESE INSTEAD?"

"NO SIR, NOTHING FISHY GOING ON UP HERE
AT ALL"
